The funds are already in your budget now. We didn't receive any direction otherwise. We can't reprogram funds out of Region 9, your office will have to do that. You can only send it to OECA if they have the PRC that we sent it to you in. If not, you will have to do an EAS document to put the funds onto their contract from that pot.

Hi Lori - The Region is using OECA contracting for this work.
Does it need to be reprogrammed to the Region, or can OW
Work directly with OECA? the latter is preferable. Thanks! Jason
